

The 27TH China International Furniture Expo and Maison Shanghai Rescheduled to 28-31 December 2021

Dear Exhibitors, Visitors, all concerning Partners and Fellows,

The organizers of the 27TH China International Furniture Expo (Furniture China 2021), originally scheduled to be held from 7-11 September 2021, along with its concurrent fair Maison Shanghai, scheduled from 7-10 September 2021 have been rescheduled to **28-31 December 2021**, at **Shanghai New International Expo Centre**.

We apologize for any inconvenience this change in dates will cause but the health and safety of our visitors, exhibitors and partners is always our top priority. Following the latest advice from local authorities on holding large gatherings due to COVID-19, and after consulting with our industry partners, we feel the new dates will provide a much better environment and experience for our community to meet and do business.

Our 2021 Expo has already received 10,9541 pre-registered attendees, demonstrating the desire within our industry to come together and connect. We will shortly announce plans to keep the community connected whilst the in-person event is unable to take place.

We would like to take this opportunity to thank everyone for their strong support, understanding and trust. Despite not being able to meet in person in September at Pudong, Shanghai as planned, we are confident it will be worth the wait for when we can reconvene and reconnect later in 2021!
